## Tranquility, Romance, Adventure

Lush, tropical ANSE CHASTANET is one of the Caribbean's most scenic resort hideaways. Nestled amidst a 600 acre estate with two soft sand beaches, ANSE CHASTANET is in complete harmony with its natural surroundings.

Located right in the heart of the marine reserves with pristine coral reefs for snorkeling and scuba diving, the resort operates its own PADI 5-Star Dive Center with a full beach and boat diving schedule available daily, as well as scuba instruction for beginning and advanced divers. The watersports centre offers sunfish sailing, windsurfing, ocean kayaking and also specialty Prijon kayaks for the coastal kayaker. There are also 12 miles of private resort trails for hiking and biking, and Anse Chastanet's state of the art mountain biking centre BIKE ST LUCIA offers an exciting Jungle Biking Adventure. Escorted botanical hikes and walks are organized on a complimentary basis from Monday through Saturday within the 600 acre estate.
